GRANGE CELEBRATES 65th BIRTHDAY

Mattapoisett Grange held its bi-monthly meeting Thursday night in the Grange hall with the worthy master Mildred LeBaron presiding.

It was the 65th birthday of the Grange and the evening started with a pot-luck supper with the Home and Community Service Committee in charge, Mrs. Marion Hatton, chairman. During the supper hour, Barry Denham, master of the Juvenile Grange, presented a birthday cake from the Juvenile Grange extending the good wishes of the Junior Grange.

The program presented by the lecturer, Mrs. Myrtle Spagnoli, comprised a roll call of past masters. A Bible marker was placed on the Bible by the chaplain, Rebecca Downing, as a memorial to Past Master Warren Delano who passed away while serving as master. This was a gift from his sister, Mae Delano, a past chaplain of the Grange. A duet, "In the Garden", was sung by Marion Hatton and Myrtle Spagnoli. Mrs. Spagnoli also conducted a candlelighting service assisted by Rebecca Downing, Ada Furtado, Ruby Barber and Jennie Toolis. Movies of the activities of the Grange were shown by Otto Kellish.

Before the business meeting Donald Linhares, Loren Mosher and Police Officer Duane Tuttle of the Town Civil Defense Committee were escorted in and presented with a first aid kit by Mrs. Hatton given through the Home and Community Service Committee of the Grange.

During the business meeting reports were given by the various chairmen. A report from

AN OPEN LETTER TO THE PEOPLE OF MATTAPOISETT, MARION AND ROCHESTER

I am writing this letter with a little disappointment in my heart.

Being a very sportsminded person, I am disturbed in the turnout of the students and parents of our three towns to the basketball games at the Old Rochester Regional High School.

True we do not have a championship team but we do have the boys that are giving the game all they have in heart and spirit.

Head coach Richard Norman and assistant coach John MacLeod have worked tirelessly to teach the boys the game in the limited time that they have had to do so.

It must be remembered that none of our boys have ever played high school ball before. Also bear in mind that the entire starting team will be back again next year.

The price of admission is only 35¢ for students and 65¢ for adults. There are five home games left in the remaining season, so let's make it a point to see them in action.

Sports are an important part in our high school system.

To keep the fight in the boys, let us all show a little appreciation and support their effort.

Thank you,
Bronc Caswell

STATE JUVENILE GRANGE LEADERS MEETING

A meeting of Juvenile Grange leaders, State officers, matrons, patrons, committee members and interested people in Juvenile work was held in the Mattapoisett Grange Hall Sunday afternoon with a large attendance. Charles Fuller of Pocasset, the newly appointed Juvenile Deputy, presided. The meeting opened with a prayer given by the new Juvenile Superintendent Gladys Reed. Juvenile deputies Janet Rocco of Wilmington and Jonathan Teele of Littleton assisted.

Much enthusiasm was shown in planning the work and projects for these youngsters who will some day take on the work of the present regime among the State officers.

Present were the State master and lecturer, Mr. and Mrs. John E. Johnson of Chelmsford; John Bower, chairman of the State Youth Committee, of Marion and Alice Marshall, chairman of the State Home and Community Service Committee, of New Bedford, who spoke on the State and National Juvenile project.

Each Junior Grange will have a doll dressing contest. As each project is completed a piece of clothing will be made. At the end of the Grange year the doll's clothes will be judged at the State Grange. The best judged doll will go to the National Grange to be judged with the winning dolls of all the other States.

The State Master and Lecturer also gave inspiring help in their response to this meeting, as did the Juvenile superintendent, who with Deputy Fuller explained among the projects were raising gourds, original picture scrapbooks of flowers for the 5 to 9 year olds and scrapbooks on foods of all types and countries for the 10 to 15 year olds.

Others present with the 16 State officers were matrons and patrons of other Juvenile Granges including the Mattapoisett Juvenile Grange matron, Mrs. Helmuth Heuberger, Jr., her assistant matron, Mrs. Edmund Silva, and her patron, Gilbert Collins, of Acushnet.

Refreshment hosts were the matron's aides, Mrs. LeBaron and Mrs. James Harris.

SCHOOL LIBRARY IN OPERATION

Through the combined efforts of Mrs. Harry A. Brown, Jr., president of the Rochester Parent-Teachers Association, Harold M. Gay, principal at Rochester Memorial School and with parent volunteers the school library is a busy place these days.

During the past few years the pupils were unable to use the library because of its use for a special class. With the opening of Old Rochester Regional High School and Grades 7 and 8 becoming part of the set up at the regional school, the library was available to Rochester Memorial pupils.

Before the school library could be put in operation it was necessary to catalogue and arrange the books according to age groups. Another problem facing the principal was who would staff the library and assist the school children in selecting and obtaining the books. Library card jackets were placed in each book and someone had to be responsible for filling in the pupil's name when a book was borrowed and the book had to be stamped with the due date.

The school library problem was discussed at a P-TA meeting and it was apparent the parents were more than willing to assist in any way possible. An appeal was issued for volunteers

for the library with the result each volunteer only has to serve one hour every two weeks. Mr. Gay set up a schedule and a meeting was held at the school with Mrs. Brown and Mr. Gay.

Mr. Gay explained how the school library system was set up, categories of books, filing system and Dewey decimal method was used for cataloguing the books. The school library volunteer program commenced the first week in December and has been successful from its first day of operation. It is interesting to wonder who enjoys the library more, the parents or the school children. There is no doubt that with the school library available and with the assistance of the parent volunteers the school children will have the opportunity to read to their hearts' content.

Volunteers include Mrs. William E. Deakin, Mrs. Charles Tuttle, Mrs. Robert Sherman, Mrs. Swen Olaussen, Mrs. Frank L. Morse, Mrs. John F. Hayes, Jr., Mrs. Joseph A. Chamberlain, Mrs. Herman R. Morse, Jr., Mrs. Clifton Vaughan, Mrs. D. Lawrence Hartley, Mrs. Paul M. Gibbs, Mrs. Brown, Mrs. Logan R. Doane, Jr., Mrs. Robert Hiller and Mrs. P. Parent.

In addition to the volunteers there are two substitute volunteers who will take over in case of illness among the volunteers. They include Mrs. A. Barton Cummins and Mrs. Frederick Underhill.
